

HAVE YOU BEEN EXPOSED* TO COVID-19?

Please use the following decision tree to comply with Milwaukee County's COVID-19 mitigation policies.

* Exposure is defined as an individual having had close contact with an infected person within the past 14 days, where close contact means: 1) being within 6 feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period regardless of whether face masks or personal protective equipment (PPE) were worn by any or all individuals, and/or 2) provided care at home to an infected person; and/or 3) had direct physical contact with an infected person (touched, hugged, or kissed them); and/or 4) shared eating or drinking utensils with an infected person; and/or 5) got respiratory droplets (for example, was sneezed or coughed on) on them from an infected person.
